

## Apply Today as a Wound Care Physician

It takes special physicians to provide quality bedside wound care for AmeriWound's long-term care patient population. By virtue of their dedication to bedside wound care, our providers achieve exceptional wound healing results and significant professional fulfillment and satisfaction.

AmeriWound physicians will be able to realize an excellent financial opportunity, an expansion in their current scope of practice, a high level of work/life balance with flexible schedules, and the satisfaction of making a valuable and long lasting contribution in the area of wound care. All of this can be realized without having to deal with the inherent overhead, personnel, and payer hassles faced in other practice settings.

OUTCOMES

## Our Company

AmeriWound is a leading physician wound care company committed to delivering a superior level of quality medical care. Our team of skilled wound care physicians consistently produce sterling healing rates that exceed virtually all national benchmarks.

Our wound care physicians visit long-term care facilities to treat patients at their bedside while establishing and managing comprehensive wound care plans for each patient. This approach leads to superior quality care, faster healing times, greater patient comfort, increased efficiency, and overall reduced medical costs.

## Types of Conditions Treated

Our wound care physicians treat a wide range of acute and chronic wounds including but not limited to:

- Pressure Ulcers
- Diabetic Neuropathic Ulcers
- Arterial Ulcers
- Venous Stasis Ulcers
- Surgical Wounds
- Deep Tissue Injuries
- Moisture Associated Skin Damage
- Blisters ■ Rashes ■ Burns
- Other related skin conditions

## Working at AmeriWound

### Why Work for AmeriWound?

**Compensation:** AmeriWound physicians benefit from a model that rewards going the “extra mile”. Based on the number of patients seen, diagnoses and any necessary procedures performed, our wound care physicians can realize high income earning potentials.

**Become a Wound Care Expert:** AmeriWound, offers a specialized wound training program incorporating the expertise of our wound care trainers and physician mentors. Our goal is to fully prepare and expand each physician’s practice scope while instilling the expertise and confidence of how to most effectively treat our wound care patients. AmeriWound physicians work collaboratively with each client facility providing high quality, compassionate, cost effective treatments – resulting in significantly improved healing outcomes. This proven team approach consistently produces high level patient satisfaction.

**Leading Edge Technology:** AmeriWound maximizes positive healing results employing the most current methods, tools and technology. Our pro-active approach incorporates both initial and aggressive treatment(s) along with education to prevent wounds from worsening and advancing. Our wound focused EMR and survey focused documentation streamlines communications with our client facilities providing effective coordination, continuity of care, and measurable quality outcomes.

**Corporate Support:** AmeriWound’s highly trained support-staff work as a well honed team dealing with virtually all associated administrative tasks and responsibilities, allowing our physicians to dedicate their efforts to diagnosing and treating wound care patients. We schedule your appointments, register patients, purchase any necessary supplies and equipment, and handle all overhead issues, while you continue to provide the best wound care for your patients. AmeriWound employs regional dedicated administrative managers that address and resolve the day-to-day needs and issues of our physicians in each market and the client facilities we serve.

**Schedule:** AmeriWound physicians enjoy full or part time schedules based on their availability. Schedules are both flexible and consistent between Monday-Friday, generally within an 8am-6pm time frame. AmeriWound physicians can work as little as 8 hours per week delivering quality beside wound care.

**Lifestyle:** There are No nights! No weekends! No call! Our wound care physicians enjoy a relatively unparalleled work/life balance. As a result, AmeriWound physicians enjoy more time for family, hobbies and leisure activities.
